

Sycamore Jr. High School 2010 Indoor Drumline

Information, Schedule and Parent / Student Contract

Dear Parent / Guardian,

Congratulations! Your student has been accepted to participate in our 2010 indoor drumline season. We are looking forward to a great season that promises to be rewarding and fun for everybody involved.

Below is a list of dates (rehearsals and performances) that the members of the drumline will be required to attend. These days are mandatory and necessary for our success, and absences will not be accepted except in cases of emergencies (conflicts such as work, sports and family vacations are **not** excusable). We are providing these important dates for you now to allow students to make decisions and schedule their time appropriately. This program is a competitive extra curricular activity, much like a school sports team. Participation in indoor drumline is not mandatory for music students, however those who choose to participate will be expected to show a high level of commitment to the program.

In addition to the time commitment, there will be a second semester indoor drumline fee of **\$50 due January 28th**. Any successful music program requires funding, and the money collected for the indoor drumline program will be used to pay for music, instruction, instruments, props, costumes and equipment for the students. This fee must be paid by the due date in order for a student to be allowed to participate in the program. Please pay in cash. We are no longer allowed to accept checks.
